

# First impressions are lasting impressions.

One of the first impressions that student-athletes, coaches, recruits and visitors will have of Huskie Athletics will come from what they see upon entering the Hall of Champions. Located in the grand entry of the new Center, the Huskie Pack logo, measuring 20ft. across, will be laid into the porcelain tile floor. The logo will be flanked by individual tiles engraved with the names of alumni and friends who made a significant financial commitment to Huskie Athletics – a commitment that will help make the dream of the Academic and Athletic Performance Center a reality.

Those who have made gifts of \$25,000 or more to this facility will be honored in the Hall of Champions. The names of those in the Hall of Champions will be permanently displayed in the floor of the front lobby flanking the Huskie Pack logo where thousands will view them each year.

As one of the leading donors to this Center, you will have the satisfaction of knowing the important role you played at this moment in Huskie Athletics – a moment that will endure throughout the life of the Academic and Athletic Performance Center.
