

# Pride. Tradition. Success.

Huskie stadium is filled on game day. The crowd in the stands cannot help but notice the large glass atrium which dominates the center of the new Academic and Athletic Performance Center. Its massive glass panels allow the Huskie logo to be clearly seen as it dominates the north end zone area of Huskie stadium. The size and position of the Huskie speaks to the pride, tradition and success of Huskie Athletics.

Donors having made gifts of \$5,000 and \$10,000 will be individually recognized by having their names permanently displayed on two sizes of acrylic tiles just below the massive Huskie logo.

Show your Huskie pride by associating your name with this new facility and the success it will bring to generations of Huskie athletes.
