

Commitment. Brotherhood. Honor.

DONOR
NAME PLATE
FOR \$2,500

The football locker room. The players' and coaches' private sanctuary. The place where mental and emotional transformations take place on game day, and game plans and strategies are developed. The place where players take time to visualize the game ahead and the team comes together for brief meditation. Where Huskie spirit and pride are sparked in anticipation of the game ahead.

This place belongs to those who coach and play the game. As a member of this elite group, you know the special meaning a locker room carries. Now, we invite you to become a part of the new locker room in the Academic and Athletic Performance Center.

There are only 125 lockers available to Huskie football alumni. This is your opportunity to associate your name with Huskie history forever. The locker room and lockers will be spacious and accommodating, and will speak volumes about Huskie pride and tradition.

125 lockers will recognize football alumni who make gifts of \$2,500. Individual name plates will be attached to each locker recognizing football donors at that level.

(A centralized plaque listing the names of football alumni who supported the previous locker room campaign in the early 1990s will be created and proudly displayed in the new locker room.)
