

BENEFITS OF THE ISIC CARD

The International Student Identify Card (ISIC) is an invaluable document for the high school, college, university, or vocational school student who will be studying or traveling abroad. The ISIC serves as official proof of student status and is recognized internationally.

International Student Identity Cards issued in the U.S. provide both access to student discounts worldwide and medical/accident insurance while traveling outside the U.S. Important benefits offered to purchasers of the card in the U.S. include:

Reduced Student Airfares. With the International Student Identity Card you are eligible for special reduced airfares, offered exclusively through STA Travel. These fares, on many scheduled airlines, can save you hundreds of dollars on international flights.

Insurance. The card provides basic sickness and accident coverage when traveling outside the 50 United States and the District of Columbia. The coverage is outlined in the International Student Identity Card Handbook that you will receive with your card. For further details, you may request "Summary of Coverage" information by dialing (877) 370-4742.
